

Hello my wonderful pupils from 6A & 6B:

*Como o estades pasando estas semanas?
Espero que con saúde e humor. Isto
pasará decontado e voltaremos a rir
xuntos e a desfrutar aprendendo.*

*Nesta semana só teredes traballo online.
Como sei que vos gustan moito os
KAHOOTS, mándovos algúns de repaso
que podeades facer nos vosos ordenadores.
Tedes de prazo ata o **Friday 3rd April**
incluído.*

*Nas primeiras páxinas deste documento
tedes os exercicios da semana pasada
correxidos.*

*I hope you're having a good time at
home with your family.*

I miss you. See you soon.

Hugs and kisses,

María Trilla.

1. Read the text and answer the questions below.

My name's Simone and I'm from Manchester, but I'm on a school holiday at the moment. We went to an interesting museum yesterday. There were people dressed up in Roman costumes. We learned about their clothes and the way they lived. I used my new camera to take some fantastic photos of an amazing necklace and a bracelet. In the evening, I went online and found some more information. I scrolled down a lot of pages and learned about Roman coins.

There are lots of rules on the trip. I can't text my friends and we can't play computer games. But in the evening, we can practise sports. This evening we played some Roman Games. I was in Team B. Unfortunately, we didn't win the trophy. Team A were the champions.
